

The New Mexico Department of Transportation, Traffic Safety Division and the University of New Mexico Transportation Safety Center have partnered with **Driving Professionals Group, LLC**, to present two courses for Continuing Education hours.

New Mexico driver education and driver safety/defensive driving providers completing either approved online course will be issued a certificate of completion. Each course will satisfy four (4) hours of continuing education units required yearly to retain instructor certification. Fees for each course are \$60.00.

"Back to Basics, Skills for Classroom Success" is the perfect way to refresh your teaching skills AND pick up some great new tips! Our course writers have a combined 60 years of experience teaching driver education, and running large driver education schools and now they are sharing their wealth of knowledge with you. Whether it's writing lesson plans, coming up with ways to get your students more involved, tips for effective communication, or general classroom management, we have you covered. Our course is entirely online allowing you to work at your own pace, and you get your completion certificate immediately once you have finished.
