VIDEO AVAILABILITY AND CONTACT
INFORMATION

2017-2018

The videos listed have been approved for use in your classes. This means that TSD has confirmed that their content and quality are sufficient for them to be shown within the Traffic Safety Programs.

However, schools must still first notify TSD of all plans to incorporate these videos into the curricula. This requirement is to help TSD ensure that no duplicative videos are shown during a course, and that all videos are used to support appropriate parts of the curriculum. Outlines can be sent to the TSC address listed below.
